

CLARIEN OVERDRAFT SERVICES

Protect against the unexpected.

As a Clarien Wealth Management client, you are invited to exclusively enjoy the protection of Overdraft services. The Clarien Overdraft solution empowers select clients with the financial flexibility to confidently handle cash flow fluctuations and unexpected emergencies.

Conveniently link your Clarien Mastercard® debit card to your Clarien chequing account with an Overdraft facility for additional protection when the unforeseen occurs.

The Overdraft facility is drawn:

- Through use of online debit card transactions
or
- Cheques written against a Clarien chequing account

Redraw or repay your balance at any time, at your convenience.
Choose Clarien Overdraft to protect against the unexpected.
