

# LIQUIDATORS SOLUTION

A total financial solution for liquidators

Liquidators need a total financial solution that delivers the speed and flexibility to move efficiently, and the strength that comes from breadth and stability. Clarien Liquidators Solution delivers.

## CLARIEN COMMERCIAL BANKING

supplies best-in-Bermuda commercial banking services that are enabled by processes designed for liquidation sector needs, and powered by digital capabilities, financial expertise and efficient account onboarding.

## CLARIEN INVESTMENTS LIMITED

is the partner of choice for institutions seeking best-in-class investment management solutions, including discretionary portfolio management services, short-duration fixed income, money market instruments and custody options.

### Strength and flexibility of a full-service liquidation partner

- Commitment to understanding and meeting the needs of the entire liquidation/receivership process
- Active coordination and alignment across banking and investment activities
- Consultative engagement on compliance matters
- Flexible investment and custody options, with quick access to funds when required
- Dedicated Relationship Manager support to ensure timely advice and service
- Quarterly Stability Reports that support counterparty assessments review
- Robust and secure banking and investment platforms with multi-factor authentication

### Fast and customised relationship-managed account opening

- Seamless client onboarding
- Support for sole and co-appointment-taker arrangements
- Customised forms and processes tailored to the unique structure of each liquidation appointment
- Account opening within five days or less from the date of completed application submission
- Full service to Bermuda, Cayman Islands and British Virgin Islands, and other jurisdictions upon request

### Efficient and easy solutions for account management

- Intuitive online banking platform
- Access to a full suite of account, currency, product and transaction services
- Concierge approach to setting up users and administrators
  - Registration and orientation of new internet banking users
  - Consultation services to establish new profiles and assign user permissions
  - Multi-account profiles and the ability to assign short names to accounts for easy reference

### Broad range of investment solutions, including assets custodied with a trusted institution

- Discretionary Investment Management
- U.S. Money Market Fund
- Short-duration high-liquidity bond instruments
