8. TERMS AND CONDITIONS

8.1 General subscription terms

- 8.1.1 If the Applicant is acting as a trustee, agent, representative or nominee for a third party who is making the investment ("Beneficial Owner"), the Applicant understands and acknowledges that the representations, warranties, confirmations and agreements stated in this Account Opening Form are made by the Applicant with respect to both the Applicant and to the Beneficial Owner. The Applicant confirms that they have consent and authority from the Beneficial Owner to execute and perform the Applicant's obligations under these subscription terms and conditions.
- 8.1.2 The rights and obligations of Applicants and shareholders of the Company shall be governed by the laws of the jurisdiction of the Company regardless of where the account is opened or the citizenship, domicile or residency of the Applicant(s) or shareholder(s). If an Account Opening Form is not dated in the space provided, it is deemed to bear the date on which it is first received by the Administrator and the Administrator's record of such date shall be conclusive.
- 8.1.3 The Company reserves the right to request additional information to verify the identity of the Applicant, source of payment and source of funds. The Company will not accept a subscription until the Applicant provides originals of the requested information. Details of the cut off times for receipt of documentation and subscription proceeds are set forth in the Application Procedures and in the Prospectus.
- 8.1.4 Subscriptions will only be processed after the Administrator has received an original signed Account Opening Form. Applicants who have elected in this Account Opening Form to communicate via electronic communications may send their Account Opening Form by fax to the Administrator's fax number specified in the box above. The Applicant should contact the Administrator to ensure that their fax communication has been properly received.
- 8.1.5 This Account Opening Form may be used for the initial and subsequent subscriptions for shares of a class.
- 8.1.6 The Administrator and the Company reserve the right to request anti-money laundering documentation when the subscription proceeds are not sent from an account held in the name of the Applicant shown in Section 1 ("Registered Name"). Where subscription proceeds are sent from a person or entity other than the Applicant and the Company does not have anti-money laundering documentation for such third party, there may be a delay in the matching of the subscription proceeds from a bank account that is not in the Applicant's name.
- 8.1.7 The Applicant may be requested by the Company or the Administrator to provide certain identifying and other information as a result of FATCA. In the event that the Applicant fails to provide such information, the Applicant acknowledges and agrees that the Company may take any one or more of the following actions: (i) compulsorily redeem some or all of the Applicant's shares, (ii) reduce the redemption proceeds in respect of the Applicant (so that the Applicant will bear the economic burden of any corresponding withholding tax) and/or (iii) take any other actions available to it to cause the Applicant to bear the withholding tax imposed on the Company due to the Applicant's action or inaction.

8.3 Electronic communication terms

- 8.3.1 Request for electronic communications capability and acceptance of risks.
The Applicant requests the ability to send instructions for trading in the Company (subscriptions, transfers, redemptions and conversions) to the Administrator and other instructions to the Company or the Administrator (e.g. requests for reports, change of address notices) in the form of electronic communications and to have them acted upon instead of the usual requirement of physically delivering original signed instructions. The Applicant authorises the Company and the Administrator to rely on instructions contained in electronic communications on these terms. The Applicant understands that they may still elect at any time to physically deliver originals. The Applicant understands and accepts that using and relying on electronic communications involves increased risk of fraud and of miscommunications including those due to telecommunications system or equipment failure, misdirected communications or illegibility of the instructions or documents.

APPENDIX II | Account Opening Form of the Global Voyager Funds Limited

8.3.2 Right of the Administrator or the Company to not act on electronic communications and copies.

The Applicant understands and agrees that the Company and the Administrator may choose not to rely on electronic communications and copies of documents. If this is the case, the Company and the Administrator agrees that, whichever of them elects not to act upon electronic communications and copies of documents, they will use their best endeavours to contact the Applicant as soon as possible to advise the Applicant of their decision. The Applicant will not hold the Company or the Administrator (and they will not be) responsible if they choose not to act on any such electronic communications and copies.

The Applicant agrees to bear the risks associated with using and relying on electronic communications or copies of documents except where the Company or the Administrator is grossly negligent or willfully defaults in undertaking their respective responsibilities. The Applicant agrees that, except where the Company or the Administrator is grossly negligent or willfully defaults, the Company or the Administrator will not be responsible for any loss or liability the Applicant incurs due to an electronic communications transmission error or due to the Company or the Administrator relying on an instruction sent by electronic communications which they believe in good faith is to be genuine. If the Company or the Administrator incur a loss of any nature due to their acting or failing to act on electronic communications or copies of documents received from the Applicant due to equipment failure or any circumstances beyond the control of the Company or the Administrator, the Applicant will indemnify and keep indemnified the Company or the Administrator from all such loss, except where the Company or the Administrator is grossly negligent or willfully defaults in undertaking their respective responsibilities.

8.3.4 Receipt of documents.

The Applicant:

- acknowledges that it has nominated to receive electronic information on their investment in, or correspondence regarding, the Company;
- acknowledges that electronic communications may be intercepted, copied, adapted or imitated by third parties, and may not be secure, reliable or timely;
- accepts all risks associated with receiving such investment information electronically, including the risk that the email sent to the Applicant from the Company or the Administrator may be infected with viruses or corrupted in any other manner;
- agrees that the Company or the Administrator have no responsibility and are not liable for any loss arising in connection with the investment information or the fact that the email may be corrupted or infected with viruses; and
